Dear Madam / Sir,

Subject: Execution of Contract Manufacturing Agreement with the SEQENS Group

In compliance with Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, we are pleased to announce that Aether Industries Limited (Aether) has entered into a Contract / Exclusive Manufacturing Agreement with Chemoxy International Limited, a wholly-owned subsidiary of the SEQENS group (Seqens). Headquartered in France, the SEQENS group is an integrated global leader in Health, Personal Care, and Speciality Ingredients, operating 16 production sites and 9 R&D centers worldwide, with an annual revenue of EUR 1.1 billion.

Under this take-or-pay contract, Aether will produce a series of natural bio-based products exclusively for Seqens. The contract spans an initial period of three years. The production is expected to commence over the next 10 months with a volume of 100+ MT per year.

The innovative manufacturing process, which involves a complex process and continuous reaction technology, was collaboratively developed by Aether and Seqens over the past three years. This venture marks a significant milestone for Aether's *Renewables and Sustainability* business segment, enhancing Aether's reputation as a leading India-based speciality chemical manufacturer and provider of sustainable and carbon-neutral chemistry solutions across the industry spectrum.

We request you to kindly take the information on your records.

Thank you.
